The architectural masterpieces of Rus (the Kievan Rus)

Архитектурные шедевры Древней Руси

"Дни поздней осени бранят обыкновенно…"

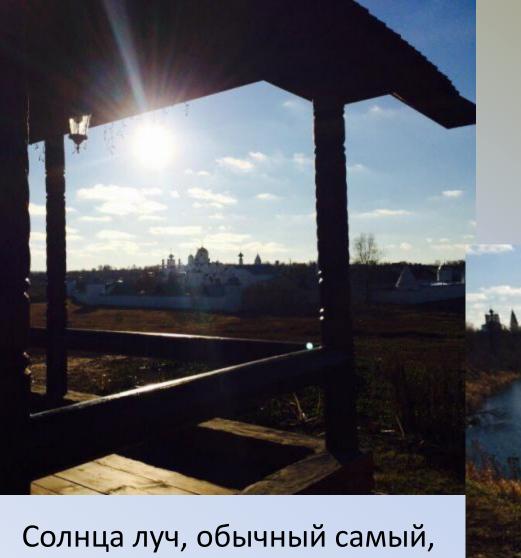

We are the students of the 7A class. We are from Perm, Gymnasium 33. Last autumn our class had a chance to visit ancient cities of Russia. We call them "The Golden Ring". Our trip was unforgettable. You can see it by yourselves.

SUZDAL

This is an ancient cultural center and an important place in the history of Russia and the country's architecture. The city was included in the list of UNESCO World Heritage Sites in Russia in 1992.
